

# “TARIC Consultation training programme” ELearning module

Leading for results.  
Learning for purpose.

This eLearning module offers a comprehensive overview of the TARIC database and website. Designed for **economic operators and customs officials**, this course enhances the understanding of tariff classifications and regulations. Participants will learn to effectively utilize the TARIC Website through practical case studies and interactive content.

## Scope

“TARIC Consultation training programme” e-Learning module is focused on providing a general overview on the TARIC Database. It serves as a guide to the trainee on the TARIC concepts and rules, and how to use the TARIC website.

This course aims to deepen participants' understanding of the TARIC Website, empowering them to proficiently navigate and apply EU tariff and trade regulations, essential for professionals involved in international trade within the European Union.

## Audience

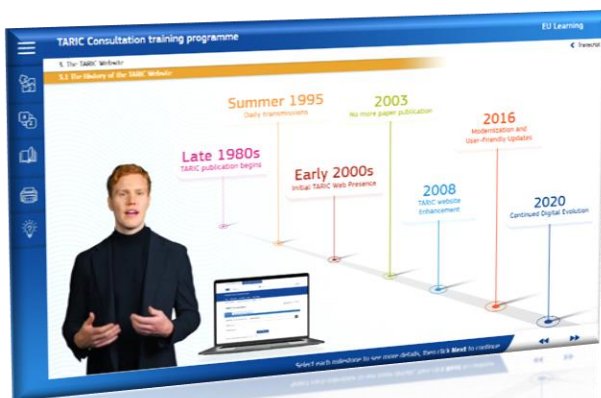

This course is addressed to **Economic Operators and Customs Officials**.

## Learning Outcomes

The global objectives of the eLearning module are:

- ✓ Get to know what the **TARIC Database and the TARIC Website** are, by presenting their history and purpose.
- ✓ Learn how to use the **search functionalities** in the TARIC Website.
- ✓ Understand **the benefits, usefulness and expected outcomes** of the TARIC Website.

To fully benefit from the course and to achieve the learning outcomes, it is recommended to integrate it in your own training programme and develop a blended learning strategy.

## Features

- ✓ The course is designed to be **flexible** and **personalised**. Users may start, pause and resume the course where they left off, at their convenience.
- ✓ Real-life **case stories** help trainees apply their theoretical knowledge and course assessment questions help evaluate their understanding of the material.
- ✓ In addition to the menu, a **course map** allows users to quickly access the main chapters of the course. The course map is conveniently placed in the vertical toolbar located on the left side.
- ✓ A **course summary** of the most relevant information is available in a printable format. It is also possible to print any course screen for future reference.

## Course duration

The time required to complete the course is around 60 minutes.

## Available languages

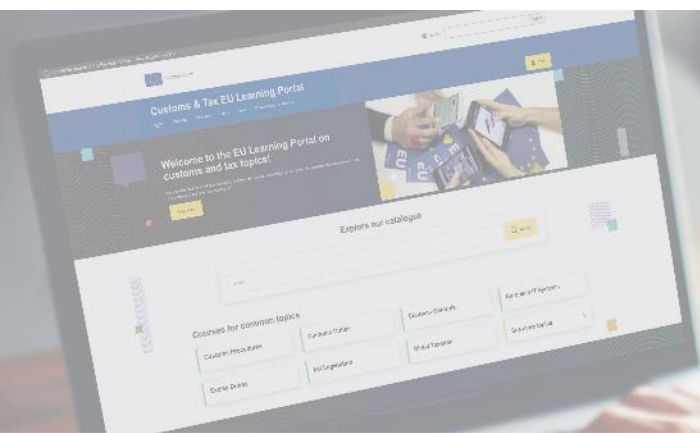

The course is available in English. However, consult [Customs and Tax EU Learning Portal](#) for the availability of further EU language versions.

## Let's get started!

The eLearning module is delivered through the [Customs and Tax EU Learning portal](#), but access to it is restricted to EU Customs and Tax officers. You need to use your professional e-mail address to connect:

- ✓ Use your EU Login account to login to the Customs & Tax EU Learning Portal.
- ✓ Access the 'Catalogue' section.

Troubleshoot technical issues and get help by clicking on "FAQ" or "Support".
