Do you have any expectation from the Project Group?

006

- In person meetings at least once a year
- Live meeting
- Make funds available for physical workshops
- Clarity on how the recognition programme works and how to apply to get success
- Maybe to share insights from assessments, some general for universities, or differences
- Live meeting
- Invitation for a cup of coffee

Do you have any suggestion for a lecturer database?

007

- To be able to post presentations and video lectures there
 - Good idea. It would be good to share topics and competences to potentially collaborate on mobility or projects
 - A platform where materials are grouped by university/country so that connected topics are interconnected and easily accessible
 - It's a good idea.
 - Good idea
 - It nice idea, it good
- include academic lectures and practitioners
 - Please create it, that we could share contacts and experience
 - Develop online SELFSTUDY modules
 - What do we mean by that

What are the financing possibilities for the mobility of students?

008

- There are many ways for mobility according to each institution
 - In general, a special Customs Academic Mobility programme can be created, consisted of 2 or more components: 1) Intra-EU; 2) EU neighbourhoods (Eastern Partnership region and the Southern Mediterranean); 3) International
 - There are a lot more than Erasmus
 - We use Erasmus option; in master degree best option
- is short mobility Erasmus BIP, majority students works
 - Funding by national customs administrations
 - Can they EU fund some
 - Erasmus+
 - Erasmus+
 - Orcid.org
 - Erasmus+ KA171
