EU e-Learning module

Binding Tariff Information

Leading for results.
Learning for purpose.

Customs procedures are the set of managements and operations related to imports or exports of goods to and from the EU, as these are defined by the *Union Customs Code (UCC)*.

The easy-to-use eLearning course **Binding Tariff Information** is based on the Union Customs Code and is produced by the European Commission Directorate General for Taxation and Customs (TAXUD) under the Customs 2020 Programme.

Scope

It provides **fundamental knowledge** in the domain of Binding Tariff Information and the **related procedures** as defined by the *Union Customs Code (UCC)*.
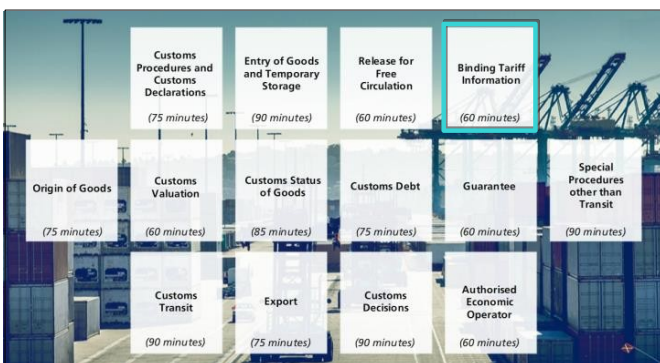

Audience

Customs professionals in both the public and private sector who in the course of their activities need to know about the application and use of Binding Tariff Information.

Learning Outcomes

By the end of this 60-minute course, you will have learned about
- the reason why Binding Tariff Information (BTI) exists;
- the Combined Nomenclature (CN);
- the pre-application phase;
